Exam Number: 642-642

sent
Passing Score: 790
Your Score: 952
Grade: **Pass**

• The Cisco Certifications Tracking System permits you to see your exam results and all of the demographic information that you provided when you registered for an exam. You can track your certification progress and correct any errors in your demographic information. *When you earn a certification, your certificate will be sent to the address that we have on file and printed with the spelling of your name as listed in the tracking system. Please allow 6 to 8 weeks for delivery of your certificate. If you requested an electronic certificate, it will be*

to the e-mail address you provided within 3 to 5 business days.

• Go to: www.cisco.com/go/certifications/login and follow the instructions. It is important to save the original score report for your records as proof of completion. You will need information from this document.

Please allow **10 days** for Cisco to receive your exam results.

• If you would like to start or stop receiving communications from Cisco about Cisco certification and training programs, you can do so by logging into the Cisco Certification Tracking System.

• **Cisco Certifications Community.** The community provides

forum where certified individuals can gather information on

lifelong learning, and networking related topics. The community

Cisco.com username and password and is accessible only to customers

valid Cisco certifications. Certified individuals may visit the site at www.cisco.com/go/certcommunity.
